<b>MINOR(S)</b>	(Optional)
Description(s) of Minor(s) declared:	Minor #1 (optional):
	Minor #2 (optional):

**PLEASE NOTE:**

- All majors and minors must be in the same catalog.
- Declared major(s) and minor(s) from a previous catalog will be automatically dropped.

**Double Majors:** Students may declare two majors and two minors. Students wishing to declare more than two majors, minors or concentrations must secure approval from the associate dean of academic affairs. NOTE: Graduation automatically occurs once a student earns 124 credits, completes all requirements for one major, and fulfills all liberal education requirements. Students should plan accordingly if double-majoring, as degree completion will have an effect on qualification for federal financial aid.

**Education Majors:** Indicating your major does not admit you to the Teacher Education Program. Admittance is based on specific requirements. See the Education department chair for details.
