

Claim Your Student Handshake Account & Find Work-Study

- Northland utilizes Handshake – the job and internship search platform geared specifically for current college students and recent graduates.
- We've preloaded your profile to get you started, but you must log in to activate and complete it. Follow these steps:
 1. Scan the **blue QR code below**, to get started, or go to: northland.joinhandshake.com/login
 - Use your Northland email (@myemail.northland.edu) and the same password as your other Northland student accounts.
 2. Scan the **orange QR code below** for a how-to video tutorial of claiming your account and then finding/applying for work-study and other positions tied to campus.

- **After you've claimed your account, use it to do all of these things:**
 - Find and apply for on and off campus jobs, work-study and internship positions
 - All work-study openings are posted from the following employer account - **Northland College Jobs & Internships**
 - Search and discover other employers and jobs / internships locally and all over the country
 - Register for Career Services events
 - Schedule appointments with the Student Career Advisor, Julie Winter
 - Register your for-credit internships
 - Find resources like: resume / cover letter examples, mock interview questions and more.
